2008 Conference Call for Papers

The International Institute on Special Needs Offenders and Policy Research (Canada) is now welcoming all abstract submissions for workshop presentations at the 2008 conference. The **deadline for submission** of abstracts for workshop sessions is **Feb. 15, 2008**. Acceptance will be confirmed with authors by March 30, 2008.

Share international best practice, examine different policy trends, develop inter-professional networks, enhance your personal practice. Participate in the **International Conference on Special Needs Offenders** — a learning experience like no other.

Click [here](#) for more information on how you can submit your abstract for consideration, or contact **Town Events Management** at info@towneventsmanagement.com or 416-694-9713.

The Canadian Institute maintains its goals and objectives of meeting the needs of governmental and non-governmental organizations, service providers and service users on behalf of those who are mentally ill and/or developmentally disabled persons or persons with special needs who are in conflict with the law.

We look forward to sharing ideas, information and resources with you as we work to ensure both short- and long-term personal and public safety and security by promotion of a variety of improved systems and services for adult and adolescent offenders with special needs.

GET IT ON CD!
